

AMENDMENT TO THE PROPOSED PLATFORM

Proposed amendment to the Healthcare and Human Services Section:

Opening paragraph, sentence 2, existing text:

We believe that high-quality and affordable health care should be accessible to all.

Amend opening paragraph, sentence 2, to read:

We believe that high-quality and affordable health care should be *available to all through a single payer government sponsored program like Medicare.*

End proposed amendment.

AMENDMENT TO THE PROPOSED PLATFORM

Proposed amendment to the Energy and Environment Section:

Paragraph 12, existing text:

12. Promoting those strategies which significantly reduce global warming and which have a positive impact on reducing climate change;

Amend paragraph 12 to read:

12. Promoting those strategies *which will quickly stabilize atmospheric carbon dioxide at a maximum of 350 ppm and protect against further climate change, in accord with the United Nations Framework Convention on Climate Change;*

End proposed amendment.
