

OUR MASSACHUSETTS HEALTH CARE SYSTEM IS NOT WORKING

High insurance premiums, co-pays and deductibles keep medical care out of reach for thousands of hard-working Massachusetts residents.

SUPPORT

SINGLE PAYER HEALTH INSURANCE FOR MASSACHUSETTS

Single Payer Health Insurance

covers all Massachusetts residents

no mandates, no penalties, no waivers needed
no gaps in care because of illness, injury, or unemployment

is cost-effective

costs individuals, businesses, municipalities and the Commonwealth less than our present system
saves about 33 cents on the dollar by eliminating excessive administrative costs
lowers billing costs for medical providers

is publicly-financed and eliminates

premiums for private health insurance
co-pays, deductibles, and co-insurance
medical portions of auto insurance, workers comp, and home owners' insurance

Single Payer Health Insurance is like Improved Medicare for All.
